

## **Discovery Bible Study**

### **The 7 Deadly Sins: Greed**

#### **Luke 12:13-21**

I. Time of Sharing and Prayer – 10-15 Minutes (You can do this instead of an icebreaker).

Share how you did with your “I will” statements from last time.

Then go around the group, and for those who are willing, simply thank or praise God in a sentence for one thing that has been a blessing or encouragement to them this week.

#### II. The Bible Discussion

1. Read The Passage (5 minutes) – If the story or passage is short enough, feel free to re-read it a second time, preferably in another translation.
2. Retell The Passage (10 Minutes) – have 1 or 2 people volunteer to retell the Scripture/story in their own words, not looking at the Bible. Other group members can help direct and correct if details are missed. The purpose of this exercise is to begin to plant the passage deeper into our hearts.
3. Discuss The Passage
  - a. What does the passage teach me about God? – 10-15 minutes. (Take 2-3 minutes to think through and write out your thoughts. Then share with each other. Make it a conversation. Add thoughts and ask questions along the way.)
