When we think of Paul, and all that he achieved for Christ, we might be tempted to attribute his fruitfulness to his SHAPE, but actually, most of it probably comes from...

*What did prayer mean for Paul?*

1. Prayer was his \_\_\_\_\_ to Christ.
2. Prayer was for him \_\_\_\_\_ with Christ.
3. Prayer for him was a \_\_\_\_\_ from Christ.

4. Prayer for him was a conduit for revealing Christ's \_\_\_\_\_.

*What are some reasons for why prayer might not “work”?*

*Looking to Paul's prayers, what are “ministry prayers” we should be praying for one another?*

1. We should pray with thanks for \_\_\_\_\_.
2. We should pray for \_\_\_\_\_.
3. We should pray for \_\_\_\_\_ to \_\_\_\_\_.
4. We should pray \_\_\_\_\_ prayers, for one another to grow in...
5. We should find any and all ways to pray for \_\_\_\_\_, period. (See *Prayer Ministry* training handout.)
