**Acts 15:1-11**

1. How does Luke summarize all of Paul and Barnabas's missionary journey? (14:26)

It's a \_\_\_\_\_ built on \_\_\_\_\_.

*What does this teach us?*

2. Their joy doesn't last long. What happens next? (14:27-15:2)

3. As they travel up to Jerusalem, they tell every believer they meet about their mission trip. It shows that Paul is a great field commander, because he's always giving thought to three things:

\_\_\_\_\_ & \_\_\_\_\_

Good \_\_\_\_\_

\_\_\_\_\_ & \_\_\_\_\_

4. The rest of chapter 15 is essentially the minutes of the Council.

First Peter speaks (7-11). Why is his testimony so powerful?

5. Let's pause here and ask a more basic question: Why are there disagreements between Christians? Obviously, sin plays a huge part. But many disagreements have nothing to do with sin. Consider:

➤ We all have different \_\_\_\_\_.

➤ And different \_\_\_\_\_.

➤ And different \_\_\_\_\_.

➤ And different \_\_\_\_\_.

➤ And different \_\_\_\_\_ and \_\_\_\_\_.

➤ And different \_\_\_\_\_.

➤ And different \_\_\_\_\_ perspectives.

6. So what are some immediate things we can do when a disagreement arises? The story so far has taught us to...

➤ A \_\_\_\_\_.

➤ B \_\_\_\_\_.

➤ C \_\_\_\_\_.
