

## **"Cruising With Paul"**

**Acts 20:36-21:16**

**October 1, 2023**

*Pastor Bear Clifton*

One more week in Paul's "School Of Discipleship" where I should ask:

Am I \_\_\_\_\_?

Am I \_\_\_\_\_?

And if not, then I am a prey for \_\_\_\_\_.

There are 3 additional – and essential – themes that Paul wants to bring to our attention on our 'discipleship cruise':

**The Port Of \_\_\_\_\_ . (20:36-21:6)**

1. How important was this for Paul?

2. In the Bible, prayer is often thought of in three ways:

As \_\_\_\_\_ with God.

As \_\_\_\_\_ with God.

As \_\_\_\_\_ alongside of God.

**The Port Of \_\_\_\_\_ . (21:7-14)**

1. Some thoughts on Paul meeting and staying with Philip:

2. God is telling Paul that in returning to Jerusalem, he is heading into a storm. Is Paul disobeying God then by going?

3. But Paul is not the only one who “must suffer”. Who else?

**The Port Of \_\_\_\_\_.**  
**(21:15-16) – 3 Lessons From Alexander Maclaren**

1. \_\_\_\_\_ to your early faith and to Christ.

2. Yet be ready to welcome \_\_\_\_\_.

3. Remember the beauty that dwells in an \_\_\_\_\_.
