The story of an early marriage, and the support team behind it:

The lion’s share of what Janis and I needed for our support and soul-care we received from the church. If we could diagram it out, it might look like this:

Level 1 Support (50% of what we need):

---

Level 2 Support (25% of what we need):

Healthy bodies naturally strive toward healing. The challenge for the Body of Christ is to learn to nurture and release the 90% of the healing potential that's in its power.

## How One Church In Our Area Is Doing It

The Care Team Of Harvest Fellowship

Your church has developed a Life Care ministry that involves more than a dozen people. Describe the work that they do.

How is this different from general fellowship and encouragement?

“Restoring Christ to counseling, and counseling to the Church” – the mission statement of CCEF. What is meant by this?

What would it look like if more counseling was done in the church?

What would you say to a person who says, ‘But I’m not a trained counselor. How could I possibly help someone in need in my church?’
