

“Jesus Died To Give Us The Power To Live Rightly”

April 13, 2025

Pastor Bear Clifton

I. What’s the story of Jesus about?

Jesus came to _____ us how to live rightly.

Jesus died to give us the power to live rightly.

Jesus rose from the grave to give us the _____ to live rightly.

Why do I need more than just to be taught the right way to live?

II. The great conundrum faced by God’s people in the OT

1. Will heaping on more laws make my heart pure? Why not?

2. So if we are ever to be able to live rightly then what has to happen?

III. All along in God's plan, it was his purpose to do this
Jeremiah announced it:

The New Covenant would have 3 provisions. I would be given:

a. _____

b. a new _____

c. a new _____

IV. When – and how – did the New Covenant begin?

Did Jesus' death bring in the 3 provisions of the New Covenant?

But now we have another problem? What is it?

V. So how do we explain this? 3 Observations:

1. It *is* a _____ when a church or Christian brings dishonor to Christ because of sin or moral failure.

Verses:

2. Growing in Christ is a _____ more than a _____.

3. Yes there are signs of our _____ in the Church. But there are also signs – more than we can count – of the life-changing _____ of Jesus Christ.
