

“The Invocation: Coming Into The Presence Of God”

May 18, 2025

Pastor Bear Clifton

Can any of you relate to this?

Basic truths about “worship” from last week’s story:

1. What do we do during an “invocation”?

“Come, let us worship and bow down.” – Psalm 95:6

- It’s an invitation to _____ to God.
- It’s a summons to _____ God.
- It’s an act of _____ God.

2. What truths does an invocation teach us about our relationship with God?

Though we are continually _____,

there is a _____ between us.

So it’s easy for us to _____ from him.

Therefore we must continually make the choice to offer God our _____ and _____.

3. What are ways to daily practice the Invocation?

4. What are ways to practice the Invocation with our Sabbath?

What are ways we can make Sundays a “palace in time”?
