

***“Amos: Let Justice Roll Down Like Rivers”***

***September 28, 2025 \* Pastor Bear Clifton***

I. What do we learn about Amos (and Israel) in the very first verse?

II. Amos begins by declaring short prophecies against a number of Israel’s neighbors. What do we learn from this?

III. What lessons are found in Chapter 2 (which follows the *Indictment – Off-Ramp Of Mercy – Judgment* pattern Hosea showed us)?

IV. In chapter 3, we are told that God “*does nothing without revealing his secret to his servants the prophets.*” What does this mean?

V. In chapters 4-6, Amos directly confronts the righteousness and justice sins Israel is committing.

1. Their \_\_\_\_\_.

2. Their \_\_\_\_\_ of the \_\_\_\_\_.

3. They're still practicing religion but not \_\_\_\_\_.

4. Thoughts about "Righteousness and Justice"

5. Why is wealth spiritually dangerous?

VI. What does God do to stop Israel's freefall (and ours)? (Rom.15:4)

1. He \_\_\_\_\_ us with lesser \_\_\_\_\_.

2. He sends us \_\_\_\_\_ to \_\_\_\_\_ to us and  
\_\_\_\_\_ for us.
