Pastor Bear Clifton

Did Jesus truly rise from the dead, or is the resurrection just legend or myth?

I. What do you observe about the interaction between Wes Huff and Stephen Bartlett as they discuss Christ's resurrection? (from Bartlett's Youtube channel *Diary of a CEO, 3/9/26*)

What lessons for apologetics are here? (cf. 2 Timothy 3:23-28)

II. What amount of certainty can we have that Jesus rose?

1. Can we be 100% certain?

2. Do we have to take our faith all on faith?

3. When the early church presented evidence for the gospel, what did they almost always point to?

III. Here Are 3 Lines Of Evidence To Consider For The Resurrection:

- Exhibit A: Jesus' _____ never became a _____ for his followers.

- Exhibit B: None of Christianity's opponents have ever denied that the tomb was _____.

- Exhibit C: Each of the remaining eleven disciples accepted persecution, imprisonment, and _____, going to their deaths proclaiming that Jesus had risen.
