

"Pray Like Daniel: Comes The 70th Week" Daniel 9

Daniel chapter 9 contains a great prayer and a great prophecy of Daniel's, which provide advance warning for Israel of future trouble. Last week we uncovered in the first 3 verses, 3 "Prayer Boosters":

As we look at the actual prayer itself, there are more to be found:

Prayer Booster #4: (vs.4) Try to always begin your prayer with _____ and _____.

Prayer Booster #5: (vss.5-7) Take seriously in your praying the Call of _____.

Prayer Booster #6: (vvs.11-19) When you pray, plead God's _____ in Scripture.

It's here where suddenly chapter 9 moves from Daniel's great prayer to him receiving a great prophecy in verses 20-27.

The Prophecy of the 70 Weeks

What 6 things will take place at the end of the 70 weeks?

How does the prophecy divide up the 70 weeks?

Looking back at history, can we find any decrees concerning Jerusalem?

Do any of those bring us close to the coming of someone who might be plausibly described as an "anointed one"?

What about the 70th Week? On this, Christians break into 2 very different interpretative sides.
